PRICE MATCH GUARANTEE

When you shop with us, we want you to have the peace of mind that you're getting the best value for money. In the unlikely event that you find the same product cheaper elsewhere online, Love Barcodes Ltd will match that price. The following terms and conditions will apply:

1. The item must be publicly available for purchase on a UK based website that has a shopping facility and ability to take payment.
2. We must be completely satisfied that the item is "like-for-like" which means that it is brand new, the same colour, contains the same quantity, has the same availability and has an identical manufacturer reference number.
3. The price comparison will be the ex VAT price.
4. Due to their nature, auction websites like eBay and marketplaces like Amazon are excluded.
5. Our Price Match Guarantee cannot be used in conjunction with any Love Barcodes Ltd or competitor discount codes, promotions or clearance offers.
6. Typographical pricing errors will not be matched.
7. We can only accept one price match request per item.
8. This guarantee is subject to change and can be withdrawn at any time.
9. Price match requests must be submitted via email to info@lovebarcodes.co.uk with the subject line detailed as "Price Match Guarantee".
10. You must provide the exact website address of the item you have found cheaper along with the relevant price.
11. If a submission satisfies all of the above terms and conditions, Love Barcodes Ltd will match the cheaper price.
